The University of Texas at Austin

PEER-REVIEWED PUBLICATIONS

In Preparation

Sears, M. A., Kilimnik, C. D., & Meston, C. M. (Manuscript in preparation). Investigating the protective nature of romantic relationships in the sexual well-being of women with and without histories of nonconsensual sexual experiences.

Freihart, B.K., **Sears, M. A.,** Handy, A., & Meston, C.M. (Manuscript in preparation). Interpersonal and relational predictors of sexual satisfaction.

PRESENTATIONS

Podium Presentations:

Sears, M.A., Kilimnik, C.D., & Meston, C.M. (2020, March) *Evaluating the role of relationship status in the sexual well-being of women with and without histories of nonconsensual sexual experiences*. Pending acceptance; Podium presentation at the annual meeting of the International Society for the Study of Women's Sexual Health (ISSWSH).

Kilimnik, C. D., **Sears, M. A.,** & Meston, C. M. (October, 2019). Undergraduates' understanding of sexual violence labels: The role of nonconsensual sexual experience histories. Presented at the Canadian Sex Research Forum (CSRF) annual meeting. Victoria, British Columbia.

Sears, M. A., Kilimnik, C. D., & Meston, C. M. (2019, March). *The language of sexual violence: Undergraduates' understanding of sexual violence labels and the role of previous sexual experiences*. Podium presentation, presented at the annual meeting of the International Society for the Study of Women's Sexual Health (ISSWSH).

Freihart, B., **Sears, M.,** & Meston, C. M. (2019, March). *Preliminary evidence for a relationship between physiological synchrony and sexual satisfaction in adult romantic relationships*. Podium presentation, presented at the annual meeting of the International Society for the Study of Women's Sexual Health (ISSWSH).

Poster Presentations:

Sears, M.A., Malanchini, M., & Tucker-Drob, E., (2019, April). *Evaluating the Role of Shared Environment in the Etiology of Depression as a Function of Similarity in Monozygotic and Dizygotic Twin Pairs*. Presented at the University of Texas at Austin's undergraduate research week poster session.

Sears, M.A., Malanchini, M., & Tucker-Drob, E., (2018, December). *Evaluating the Role of Shared Environment in the Etiology of Depression as a Function of Similarity in*

Monozygotic and Dizygotic Twin Pairs. Presented at the poster presentation for the Psychology Departmental Honors Program

Ahmed, S. *, Kilimnik, C. D., **Sears, M. A.**, & Meston, C. M. (March, 2020). *Undergraduates' definitions of sexual consent: The role of rape myth acceptance*. Submitted for presentation at the International Society for the Study of Women's Sexual Health (ISSWSH) annual meeting. Orlando, Florida.

Professional Presentations

Sears, M.A., (2018, August). *Youth Problem Behavior and Interparental Conflict within the Family System*. Oral presentation for the Directors of the Austin Family Institute.

RESEARCH EXPERIENCE

The Sexual Psychophysiology Laboratory Department of Psychology The University of Texas at Austin Austin, TX

- 2016- Present *Title:* The language of sexual violence: Undergraduates' understanding of sexual violence labels and the role of previous sexual experiences
Aim: To gain insights into how undergraduate students who have and have not experienced NSEs define and construe common sexual violence labels. To examine how these definitions vary as a function of NSE history and NSE identification.
Role: Undergraduate Research Assistant, Co-Author on poster presentation; *Supervisors:* Chelsea Kilimnik, M.S., & Cindy M. Meston, Ph.D.
- 2018- 2019 *Title:* The Attraction of Risky Behaviors (ARB)
Aim: To elucidate the effect that sexual arousal has on individuals' decision-making processes, determine how this differs by gender, and provide critical information on the adaptational relevance of men and women's sexual strategies when they are sexually aroused.
Role: Undergraduate Research Assistant; *Supervisors:* Courtney Crosby B.A., David M. Buss, Ph.D. & Cindy M. Meston, Ph.D.
- 2018- 2019 *Title:* The SEADS Study
Aim: To investigate the efficacy of using an online expressive writing prompt as an intervention for survivors of Childhood Sexual Abuse (CSA) and to evaluate any subsequent changes in sexual self-schemas and CSA identification
Role: Undergraduate Research Assistant; *Supervisors:* Chelsea Kilimnik, M.Sc., & Cindy M. Meston, Ph.D.
- 2018-2019 *Title:* An Examination of the Relationship Between Physiological Synchrony and Sexual Satisfaction
Aim: To elucidate the relationship between physiological coregulation and sexual well-being among adults in romantic relationships

Role: Undergraduate Research Assistant, *Supervisor:* Bridget Freihart, MSW, & Dr. Cindy Meston

- 2017- 2018 *Title:* Multiple Measures of Sexual Arousal: The MiMOSA Study
Aim: To evaluate whether self-reported lubrication deficits in women with FSAD are attributable to perceptual or physiological impairments.
Role: Undergraduate Research Assistant; *Supervisors:* Ariel Handy, B.A., & Cindy M. Meston, Ph.D.
- 2016-2017 *Title:* Hekate Sexual Arousal Study
Aim: Assessing the efficacy of using Heart Rate Variability biofeedback and autogenic training as a treatment for Female Sexual Arousal Disorder (FSAD)
Role: Undergraduate Research Assistant; *Supervisors:* Amelia Stanton, Ph.D., & Cindy M. Meston, Ph.D.
- 2016-2017 *Title:* The AVA Study
Aim: To examine any implicit avoidance biases toward sexual stimuli in populations of women with previous CSA and to evaluate how these biases may relate to sexual and psychological well-being
Role: Undergraduate Research Assistant; *Supervisors:* Chelsea Kilimnik, M.Sc., & Cindy M. Meston, Ph.D.
- 2016-2017 *Title:* The SST Study
Aim: A Phase II FDA Clinical Trial investigating the efficacy of a drug created to increase vaginal blood flow in women with FSAD.
Role: Undergraduate Research Assistant; *Supervisors:* Cindy M. Meston, Ph.D.

The Lifespan Development Laboratory
Department of Psychology
The University of Texas at Austin
Austin, TX

- 2018-2019 *Title:* Evaluating the Role of Shared Environment in the Etiology of Depression as a Function of Similarity in Monozygotic and Dizygotic Twin Pairs
Aim: To explore the impact of the home environment on the experience of depression in child and adolescent twin pairs.
Role: Principal Investigator; *Supervisors:* Margherita Malanchini, Ph.D., Elliot Tucker-Drob, Ph.D.
- 2017-2018 *Title:* The Texas Twin Study
Aim: To explore academic growth and achievement in child and adolescent twin pairs in order to further understand the role of genetics and environment in human development.
Role: Undergraduate Research Assistant; *Supervisors:* Elliot Tucker-Drob, Ph.D.

TEACHING EXPERIENCE

Teaching Assistantships:
Department of Psychology
The University of Texas at Austin

2019, Fall Emotion
2020, Spring Introduction to Human Sexuality

CLINICAL EXPERIENCE

Austin Family Psychiatry
Austin, Texas
2019

Administrative Assistant

- Obtaining consent for treatment, securing releases of information, scheduling appointments, collecting payment
- Protecting Personal Health Information

The Austin Family Institute (AFI)
Austin, Texas
Summer 2018

Undergraduate Intern

- Participated in weekly group supervision sessions and individual supervisions sessions
- Attended monthly lectures on therapeutic techniques and systemic theories given by the Directors of AFI

CONFERENCE ATTENDANCE

International Society for the Study of Women’s Sexual Health Spring 2020
Orlando, FL

International Society for the Study of Women’s Sexual Health Spring 2019
Atlanta, GA

International Society for the Study of Women’s Sexual Health Spring 2018
San Francisco, CA

International Society for the Study of Women’s Sexual Health Spring 2017
Atlanta, GA

COMMUNITY SERVICE

Texas School for the Blind and Visually Impaired (TSBVI)
Volunteer, 2015-2019

- Attended “Goal Ball” matches (a ball game) acting as referee for the players throughout the game
- Volunteered at a monthly, themed parties held for TSBVI students

Guide Dogs of Texas
Volunteer, 2017-2019

- Helped increase awareness about the need for raising, financially supporting, and training guide dogs for people who are blind or visually impaired

- Participated in annual calendar sales to fundraise for guide dog training and placement

NEIGHBORHOOD LONGHORNS PROGRAM (NLP)

Volunteer, 2016-2018

- NLP partners with AISD to provide education incentives to promote learning and encourage children to set and achieve academic goals
- Tutored children in elementary level Math, Algebra, and English (grades 2-8) at various schools in Austin

PROFESSIONAL AFFILIATIONS

2019- Present	Phi Beta Kappa
2017- Present	Psi Chi National Honors Society
